On the back of this newsletter is the forecast from your child's class. We hope it is useful for supporting your child at home.

EID SHOW

What a wonderful Eid Celebration we had. The pupils and staff worked so hard to make it all possible. I would like to thank all the families who attended and made their children feel so special. We will be having a Christmas celebration on Friday 14th December and look forward to welcoming you all to squash into the top hall again!

GILWELL

A fantastic time was had by all at Gilwell Park on the Year 4 school journey. The children tucked into Cathy's cooking and had wonderful weather for four days of exciting outdoor activities. Well done all those who went - as for many it was the first time away from home! And a huge thank-you to the staff - Nicky, Cathy, Rehema, Grace and Gavin for giving up their own time to look after everyone!

PARENT VISITS

Nearly all parents have now been invited into their children's class to see work they have been involved in during the first term. Feedback from pupils, parents and teachers has been unanimously positive. If you didn't get to go this term there will be a chance to visit for tea and interest (!) every term - you may even learn something new. Look out for your personal invitation.

We are collecting things for the Harbinger Christmas Fair! Friday 7th December 2007 (No jumble thanks)
If you are able to donate something - or maybe some time to help set up - please see Sarah in the School Office
