6<sup>th</sup> March 2008

### ❖ Yr 6 Writers Journey

12<sup>th</sup> - 14<sup>th</sup> March 2008

### ❖ Last day of term

Friday 4<sup>th</sup> April 2008

## Ocean Maths - Learning Together

All children in year 1 and 2 took part in the Ocean Maths project this half term. The attendance of parents was fantastic; nearly every parent managed to come along, and children really enjoyed sharing a lesson with them. During the session, children and parents played maths games that were not only fun, but helped the children develop their maths skills. Parents who attended also received a gift! Children in year 1 and 2 will now receive maths homework, every two weeks based around a game that they must play at home with their parents.

The session taught us all that it is really important that parents continue to work with their children at home, we recognise parents are the most important teachers of their children, as they spend more time with their parents at home, than at school.

Thank you so much for attending the session, and don't forget will be another class for parents with their children in year 1 and 2 in the summer

## Parents Week!

Next week is Parents week, and all parents are invited to come into school to see their children perform, visit their children's class, join a workshop to learn something new, or just come in to school for a cup of tea and a chat!

This is the second Parents week we have run, and after the positive feedback from parents who visited classes last time, we aim to have a parent's week every half term. There are lots of exciting things going on next week; on the back of this newsletter is a timetable showing what is going on in each class.

We all look forward to seeing you in school next week!

We are planning a host of exciting events and activities for the summer term when Harbinger will be 100 years old!

Would you like this newsletter e-mailed to your home? If so please let Sarah know by emailing to: [admin@harbinger.towerhamlets.sch.uk](mailto:admin@harbinger.towerhamlets.sch.uk) with newsletter as subject line
