Thursday 2nd July

❖ Leavers Show -

Thursday 16th July

❖ LAST DAY -

Thursday 23rd July

❖ BACK to school

Thursday 3rd September

❖ EYU Returns

Monday 7th September

Summer's Here

Welcome back to the last half term of the School Year. As usual it is a very busy time of year, many classes are making use of the summer weather with school trips and outdoor learning. The playground has been majorly overhauled with musical instruments, a stage, Astroturf, an additional shelter, new climbing frames, a climbing wall and a temporary room (mostly for parents use - coffee mornings and adult learning). We would ask that pupils are only allowed to use this equipment if they are being directly supervised by a responsible adult.

I am very pleased to let you know we have arranged a trip to the seaside this year. Unfortunately we are unable to do our usual trip from Greenwich as the trains do not suit. We are going to try out using the C2C train from Limehouse to Shoeburyness. Shoeburyness is a very basic beach with lots of grass, a toilet block, and a first-aid / lifeguard station, a tea van and small shop. It is very near the station and the journey takes about an hour on the train. We are sending out letters with details this week and would ask that if you would like to take advantage of the cheaper tickets we are able to book for additional family members we need order forms AND money by the date stated otherwise families will have to buy their own tickets from the station at Limehouse. All pupils from Harbinger will travel free.

Sports Events

At this time of the year there are lots of sporting events. This Friday it is the swimming Gala at St. George's Baths and on Monday it is Y5/6 Athletics at Mile End Park. All children who are taking part should have had a letter. As usual it would be fantastic if parents could come and support the children!
 Good Luck everyone!

Laura

A very big welcome to our new nursery nurse - Laura Winzar, who has started work in the EYU.

As the weather gets warmer please make sure children have adequate sun protection - sun cream, a hat and a bottle of water! Please ensure children wear shoes suitable for play and climbing!
