Oh We Do Like To Be Beside The Seaside!

Yes - even in the rain! I would like to thank everyone who joined us at the beach last week for being so organised, well behaved and jolly - despite the sudden onset of rain. At least we had a few hours of glorious sunshine! Please let me know if you think we should continue this grand outing next year - as we will need to start organising it soon! I would like to particularly thank Ana for her persistence and organisation in getting the transport organised. Pupils from Harbinger have been out and about lately; I would like to mention the Song Leaders who have been in the local paper following their fabulous singing concert at The Winter Gardens last week. Indigo class, whose animation in conjunction with the BBC (Times and Tides) is on our website - fantastic local history. Our impressive musicians, recently giving both African Drumming and Violin concerts, including performing with Spitalfields Festival. Green class, for their animation project which premiered at the NFT last week and will be shown for Harbinger on 23/7/09 at the NFT. Just a few of the wonderful projects and work we have been involved in this term. Well done all.
