The Early Islamic Age

How to help at home

Please ensure your children reads every day and records this at least 4 times a week in their reading journal.

Homework will be handed out every Friday and must be **completed** by the following **Thursday**. Children will be provided with English or Maths homework on alternate weeks.

Maths: Arithmetic and Timestable Rockstars tasks

Spelling: Practise the spellings and rules in your homework book.

Maths

Children will:

- Read, write and compare numbers up to 10,000,000
- Round numbers up to 10,000,000
- Use mixed operations
- Multiply by 2-digit numbers
- Estimate products of large numbers
- Divide by 2-digit numbers
- Solve word problems
- Find common multiples, factors and prime numbers
- Simplify, compare and order fractions
- Add and subtract fractions
- Practise using the four operations in a range of contexts.
- Continue to practise mental arithmetic strategies

So that they...

become more aware of place value and read and write numbers up to 10, 000, 000.
 are competent in a strategy for all four operations and know when to use them.
 understand the relationship between Fractions, Decimals & Percentages.
 can add, subtract, multiply and divide fractions.
 work quickly and efficiently.

RE

Children will:

- Express ideas about how and why religion can help believers when times are hard, giving examples
- Outline Christian, Hindu and/or nonreligious beliefs about life after death
- Explain some similarities and differences between beliefs about life after death
- Explain some reasons why Christians and Humanists have different ideas about an afterlife

So that they...

learn in depth from different religious and spiritual ways of life about teaching about hard times.
 can engage in systematic enquiry into significant human questions which religion and worldviews address.
 can develop the understanding and skills needed to appreciate and appraise varied responses to these questions, as well as develop responses of their own.

Computing

Children will:

- Use search technologies effectively
- Learn how to use the internet safely, respectfully and responsibly

So that they...

appreciate how search results are selected and ranked.
 can be selective, understanding which websites are more reliable than others.
 recognise acceptable/unacceptable behaviour and know how to report it.
