## Class Assemblies

We are delighted to announce that each class will be holding an assembly over the next two terms to share their work.

Assemblies will start at 9.30am and will be held in the top hall and last for 30 minutes.

## Plastic Water Bottles

As a school we are trying to reduce the amount of single use plastic we use. To support us with this, please make sure you send your child to school with a reusable water bottle - they can take it home and re-fill it every night!

### Article 24

You have the right to safe water to drink.
