We welcomed the Government's announcement in June 2013 to provide additional funding for two years to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our children.

## **Key areas of spending**

- SLA with Tower Hamlets Youth Sport Federation (THYSF) which provides curriculum support, extra-curricular coaching, competitions and INSET.
- To develop and extend our PE Curriculum and extra-curricular provision by providing a range of experiences and competitive sports our children would not otherwise have access to.
- Yoga classes for all year groups
- Provide high quality training, resources and equipment for teachers to enable them to provide high quality PE lessons

## **Impact of funding**

We aim to offer a wider range of competitive sports through our PE curriculum and our Extended Schools provision. We believe a wide and varied PE curriculum and after school program are vital to the health and well-being of our children.
